*must be exam from dentist for Head Start

Billing Tips (Subject to Change, Check with Insurers)

Commercial Insurers:

Preventive Services with USPSTF Recommendations Grade A or B or on the AAP Bright Futures Schedule should be covered by commercial insurers without a co-pay or deductible (mod. 33).

MaineCare will:

- Reimburse for general developmental and autism screening using codes: 96110 (ASQ or PEDS) ($8.99); 96110 HI (MCHAT 1 or R) ($8.99); 96111 HK (MCHAT 2 or F) ($86.59).
- Reimburse medical providers $20 once every 6 months for an Oral Evaluation (D0145) for patients under 3 years of age and counseling with the primary caregiver.
- Reimburse medical providers $12 twice in a calendar year for a fluoride varnish (D1206). A third application is possible with prior authorization.
- Reimburse for depression screening for 11–18 years (99420) ($7.53).
- Reimburse for substance abuse screening using counseling codes (99408 for 15–30 min and 99409 for > 30 min).
- Reimburse for HPV vaccine for youth ages 19–26 years.
